Some things you might want to have in or on your buggy for Mammoth:

1. Deer whistles. You know, those little plastic things you glue on the front. Deer are very active in this area along the highways.
2. Extra-fine dust filters for your carbs. This area is fine Pumas dust.
3. Working headlights.
4. A working CB radio.
5. Spare parts to fix a flat, broken cables, etc. Small assortment of tools to fix that part.
6. Current vehicle registration and proof of insurance (MUST HAVE)
7. Glass cleaner and paper towels
8. Dust masks for yourself and passengers (it is dusty in Mammoth)
9. Camera

YOUR REGISTRATION MUST REACH ME BY SEPTEMBER 1ST FOR MY FINAL COUNT!
