&

Leave for the Run (10:00 a.m.)

Come enjoy the fun and camaraderie of hanging out together and getting to know one another better. Expect some surprises and lots of laughter along the way!

We are going back to our roots this year. Well - kind of! We are going to do a scenic pavement run to a fun location for shopping & lunch (on your own). On the return trip, there will be the opportunity for those who want to venture off road to do so, while the others continue on the street run. Either way, it's bound to be a blast!

There will be a prize basket awarded for the best use of this theme!
